

Appendix C

RC 880465

Rebo Usman & Co.

(Chartered Accountants)

14th October 2022

The Chairman,
Forum of State Commissioners for
Finance of Nigeria,
30, Osun Crescent,
Maitama,
ABUJA

Dear Sir,

**CONFIRMATION OF REMITTANCE OF 2015 EXCHANGE GAIN DIFFERENTIALS
TO FAAC**

You would recall we had through our further update through our letter dated 8th September 2022 reported that for the period covering 2016 to June 2017, all figures reflected in the Exchange Gain Ledger as funds moved to the Federation Account were captured in the monthly **Federation Account Income Distribution** schedule made available to us by the Federal Ministry of Finance. We further reported that total Exchange Gain computation to the tune of **N245,389,807,667.96 (Two Hundred and Forty-five Billion, Three Hundred and Eighty-nine Million, Eight Hundred and Seven Thousand, Six Hundred and Sixty-seven Naira ninety-six kobo)** for the whole of 2015 was not reflected in the Federation Account Distribution Schedule made available to us by the Federal Ministry of Finance.

In the light of the above, we had recommended that your Forum should demand for the release of total sum of N245,389,807,667.96 (Two Hundred and Forty-five Billion, Three Hundred and Eighty-nine Million, Eight Hundred and Seven Thousand, Six Hundred and Sixty-seven Naira ninety-six kobo), being Exchange Gain differentials for 2015 that were yet to be released to the

. Federation Account. Our position was referred to the Post-Mortem Committee of FAAC for consideration and determination. At the Post-mortem meeting attended by our representatives, it was then resolved that the Office of the Accountant General of the Federation and the Federal Ministry of Finance should reconcile their positions on our observation.

In the light of the above, we had engagements with the Ministry of Finance and the Office of the Accountant General of the Federation to further clarify the discrepancies in the schedules and the Exchange Gain Ledger. **We wish to report here that the discrepancies noticed with respect to the 2015 Exchange Gain distribution arose because it was only with effect from 2016 that Exchange Gain distributions were reflected in the Distribution Schedule of FAAC.** To further confirm that the gains computed in 2015 were distributed, we requested, and the Office of the Accountant General of the Federation made available for our review copies of the Mandates issued to the Central Bank of Nigeria for release of computed Exchange Gain differentials for 2015 to the federating units. **We have reviewed documents made available by the Accountant General of the Federation and certified that all computed Exchange Gains for 2015 were distributed to the federating units.** Please find attached Mandates issued for the month of August 2015 for the total exchange gain of N6,409,047,492.30 distributed to the federating units and the Mandates issued to the Central Bank of Nigeria in their favour for clearer understanding of the documents we reviewed for all the months in 2015.

Following from the above, we hereby submit that what is left to be claimed is the **N67,103,539,195.29 (Sixty-seven Billion, One Hundred and three Million, Five Hundred and Thirty-nine Thousand, One Hundred and ninety-five Naira twenty-nine kobo)**, being amount due on failure by the Central Bank of Nigeria to apply the Mandated rates in the months of March, April and May 2020. This submission was adopted by the Post-mortem Committee in our last appearance before them.

Please accept our deep appreciation for the privilege to serve in the resolution of these issues, and for the cooperation we enjoyed from all the relevant government agencies in the course of this assignment
